To whom it may concern

The holder of this letter is a Responder for West Midlands 4x4 Response. A copy of the Responders ID card is appended below. WM4x4R is an incorporated charity (1190329) which provides logistical assistance to the Emergency services, NHS, Independent Critical Healthcare Providers and National and Local Charities.

As part of the Responders role, they may be asked to use their personal vehicle to transport people and/or goods when deployed by the charity on behalf of one of the charities clients.

Responders may be entitled to claim a mileage payment from the charity for this use of their personal vehicle. If so entitled, the rate would be no higher than the HMRC approved mileage reimbursement rate.

If you require any further information or clarification, please do not hesitate to contact the Trustees or Membership committee on Membership@WM4x4r.org

Your sincerely
